Spiritleaf wants to plant and grow deep roots in the community. The Spirit Fund is Spiritleaf's community engagement program that provides support in the form of sponsorships, donations, and endowments for music, art, and cultural programs within the local communities where there are Spiritleaf retail locations. The Spirit Fund's first beneficiary is the Downie Wenjack Fund (DWF), via a five-year charitable commitment and the establishment of a DWF Legacy Room in Calgary.
