This is a unique concept that is inspired by timeless traditions. Karma and Luck is a lifestyle brand who sell bracelets, necklaces, and rings for men and women. Their stylish, thoughtful essentials are handcrafted with precious gemstones, healing crystals and spiritual symbols, designed to foster happiness, health and prosperity. Karma and Luck also sell Feng Shui Trees which are handmade in the Far East. The particular stones on the tree help to manifest what you wish for in your life as well as help to balance areas of your home.

Karma and Luck was founded in 2015 by Vladi Bergman, an explorer and citizen of the world born in Eastern Europe and raised in Haifa, Israel, a city of tremendous spiritual diversity and harmony. Inspired by his travels around the globe, Vladi sought to bridge the culture gap between the Far East and the West. He created Karma and Luck to connect cultures through fair trade and beautiful, handmade objects featuring symbols of peace and kindness. Currently based in Las Vegas, Karma and Luck maintains a universal outlook. They scour the globe to source and curate their finely crafted goods, all made in fair trade partnerships with masterful artisans in China, Tibet, Thailand, India, Israel, Brazil, Bali, Turkey and Uruguay. Made with love and gratitude and blessed with powerful intention, every Karma and Luck piece is designed to bring good fortune to your home and to surround you with protective energy wherever you go.

They currently have stores in Las Vegas, in the Mandalay Bay, Fashion Show Mall, Grand Canal Shoppes inside The Venetian Hotel & Casino, Miracle Mile and Irvine Spectrum Center in Orange County, Galleria Mall in Houston, Grand Centra Station in NY, The Oculus in Los Angeles, and in Miami.
